

**Relief Effort for the
Diocese of Puerto Rico and the Caribbean
Status Report 02
January 8, 2018**

- Financial and material aid are still underway, although at a slower pace.
- To date, over **\$36,300** have been contributed.
- Donors have included individuals, church congregations, Christian groups, and national organizations from throughout the United States and Canada.
- Because over 50% on the island is still without electricity and running water, The Rt Rev Juan Garcia, Ordinary for the Diocese of Puerto Rico and the Caribbean (DPRC) has purchased generators, bottled water, and foodstuffs for parishioners in need.
- Needless to say that, without support from his Anglican brothers and sisters, Bp Juan's burden would be even greater.

- The IAF continues to serve as a conduit for transferring donated funds as needed.
- Contact Erv Lischke, Executive Director, IAF, with any questions: (406) 642-3085, mobile (406) 381-6890 or, iaffice@wildblue.net
- Updated information to follow as it becomes available
